

# The Quran Foundation, Hyderabad, India

## 15 Years Journey (2009 -2025)

## Our Mission

“Assisting people who are in trouble, providing help to those who are needy and feeding those who are hungry are acts of Worship”

## OUR VALUES

SINCERITY, DEDICATION AND CONSISTENCY

# From President's Desk

**Prof. Syed Aleem Ashraf Jaisi Sahab**

President, The Quran Foundation, Hyderabad, India.

The Qur'an Foundation is a propagatory, reformatory, educational and charitable organization. Its purpose of establishment is to help the needy. For this the volunteers adopted several educational methods such as: conducting lectures and courses, establishing educational institutions, libraries, supporting schools etc., and many other practical ways, to help the needy in granting them training of essential skills as well as granting scholarships to the financially weak students.

There are a lot of distinguished features of this unique organization and one of its prime traits is that it has been run by young, highly qualified, employed and socially dignified professionals, who chose to perform the above mentioned activities with empathy towards the community. By the virtue of the sincere and passionate service of these gentlemen, in the upcoming pages, you'll observe a long list of activities which was accomplished by The Quran Foundation.

The administrators and volunteers of The Quran Foundation have a firm belief that the love for the creation is the proof of love of the creator and that the service to the creation is a source of accessing God's pleasure. I pray that the Almighty bless this institution with more successes and help in retaining the enthusiasm of its volunteers, and grant them the best in both the worlds. (Ameen).

## Moral Education and Quiz

TQF's essay competitions and quizzes serve as dynamic platforms, nurturing critical thinking and facilitating knowledge acquisition. Through these initiatives, participants embark on a journey towards brighter futures, guided by newfound insights. Moreover, TQF's approach transcends conventional boundaries, igniting a profound passion for learning that extends far beyond the classroom. This holistic approach contributes not only to academic success but also to personal development, equipping individuals with the skills and mindset needed to shape their own destinies in a diverse and ever-changing world.

- Quiz

- Elocution Competition

**Amount Spent : INR 56.5 Lakhs**

**Beneficiaries : 618**

# Robotics Workshops

**The Prophet Muhammad (peace be upon him) said:**  
"Acquisition of knowledge is binding on all Muslims (both men and women without any discrimination)."  
**(Sunan Ibn Maja)**

TAUS focuses on the schools in the marginalized sections of society — Upskill and train the teachers to increase their efficacy, equip the children and youth with modern STEM skills to help translate their hopes and dreams into reality.

All the projects we teach the students are based on internationally recognized STEM frameworks and standards like NGSS (Next Generation Science Standards) or CCSS (Common Core State Standards) or CSTA (Computer Science Teachers Association).

**Amount Spent : INR 16 Lakhs**

**Beneficiaries : 226**

# National Volunteers Meeting

**The Prophet Muhammad (peace be upon him) said:**

“Acquisition of knowledge is binding on all Muslims  
(both men and women without any discrimination).” **(Sunan Ibn Maja)**

Fostering a culture of collaboration and knowledge exchange lies at the heart of our program. Annually, we convene the National Volunteer Convention, a platform that unites volunteers from diverse NGOs sharing similar objectives. This event serves as a forum for discussing pertinent issues and gaining insights into effective strategies for community development.

**2014 - Hyderabad: Theme: Collaboration in 21st Century**
